

## Certification of RoHS 3 Compliance

MagTek, Inc.® certifies that products designated RoHS Compliant meet the Electrical and Electronic Equipment (EEE) Reduction of Hazardous Substances (RoHS) Directive 2015/863 EU without any exemptions.

This certification covers all the shipments of the following component(s)

**P/N: 21006541**

**Revision: A2**

Any product identified as "RoHS3" in our product description is deemed RoHS3 compliant as determined by our component manufacturers and independent testing when available. We have obtained and will continue to obtain "Certificates of Compliance" from our supplier base indicating component conformance to the Directive. Traceability and verification will be accomplished via the date code and revision. MagTek further certifies that restricted substances are not knowingly added to the final products. Due to the high volume of complex spread sheets, MagTek, Inc.® will not complete customer-supplied documentation.

**Disclaimer:** This RoHS3 compliance statement is, to the best of MagTek, Inc.® knowledge, accurate as to the date shown on this page. As some of the information is based upon data provided from sources outside of MagTek, Inc.®, we make no representation or warranty as to the accuracy of such information. MagTek, Inc.® continues to work toward obtaining valid and certifiable third party information, but has not necessarily conducted analytical or chemical analyses on all materials or purchased components. In no event shall MagTek, Inc.®'s liability exceed the purchase price paid by the customer.
